

## 20-meter armored optical cable

Armored 20-meter HDMI cable is optimized for 4K video in outdoor and industrial spaces. Fiber optics allow Ultra HD transmissions over long distances.

Duplex Single-mode (OS2) LSZH Steel Armored Fiber Optic Cable w/OptoLock with LC-LC (Uniboot) connectors. Use this 20 Meter (Approx. 65ft) for 10G/100G 9/125 (OS2) fiber optic links

This active optical cable supports transmissions with data rates up to 32.4 Gbps and is fully HDCP 1.4/2.2 compatible. Our plug-and-play cable is constructed of fiber and copper wires and is available ...

20 Meter Length Multimode (50/125) Armored LC-LC Duplex 2 strand Fiber Optic Cable.

The helically stranded stainless steel armor, along with the kevlar yarn make the cable resilient and crush resistant, so it can withstand heavy foot/vehicle traffic and blunt force. The cable is designed ...

Our armored HDMI 2.0 active hybrid optical cable is perfect for digital signage, security systems, home theaters, aviation on-board video systems, conference room video equipment, TV broadcast stations, ...

Providing greater protection than standard cables, it enables installation in special environments with excessive dust, oil, gas, moisture, or even damage-causing rodents.

High-Speed Armored HDMI Fiber Active Optical Cable (AOC) - 4K @ 60 Hz, HDR, 4:4:4, M/M, Black, 20 m (65 ft.)

20 meter singlemode 9/125 OS2 duplex armored fiber patch cable with LC connectors

Ultra Spec Cables - Military Grade/Industrial Armored LC-UPC to LC-UPC Singlemode Duplex Outdoor Fiber Optic Cable - 20 Meter
