

Wide temperature range and high optical output power of blue and green lasers. Leading product performance and innovative packaging; their small package size is particularly beneficial to highly ...

Our 488nm blue laser diodes, based on GaN/InGaN, offer precise performance for biomedical applications like flow cytometry and confocal microscopy, requiring narrow linewidth for fluorescence ...

Contact Us Now for Quotes, Prices, Inquiries, Questions & Ordering!

ProPhotonix offers compact, high-quality 450nm and 488nm blue laser diodes with power levels up to 3500mW. Our expertise in laser diode technology allows us to provide you with any technical support ...

Plug and play benchtop diode and DPSS lasers: 400nm, 405nm, 410nm, 435nm, 442nm, 447nm, 450nm, 454nm, 457nm, 460nm, 470nm, 473nm, 480nm, 488nm, 491nm, free space and fiber ...

LASER TREE LASER TREE 488nm 25mW Blue Fiber Coupled Laser Diode Sale price \$150.00 USD  
Regular price (/)

Mouser offers inventory, pricing, & datasheets for 488 nm Laser Diodes.

Blue laser, 488 nm blue diode laser with near TEM<sub>00</sub>, blue diode laser systems are manufactured by CNILaser.

BerlinLasers 488nm 30mW to 100mW blue laser diode modules generate the purest and the brightest sky blue laser light source, providing users high precision dot alignment for industrial and medical ...

488nm Laser Diodes, SELECTION GUIDE, Compare 488nm Lasers from Nichia and All Manufacturers on One Site
