Free Unlimited Email AccountsIMAP & Pop3 Email DeliveryFast Speeds and Reliable UptimesHigh Quality Customer SupportThere are a lot of companies who charge you an exorbitant rate for each individual email account (yeah, we're looking at you GoDaddy). Sometimes upwards of \$5/account per month. This is a pure rip off and, if you see a company advertising "Cheap Email Accounts" then you should run for the hills. Any web/email hosting service worth their salt will o...See more on hostingcanada.ccsoftware.caC& C Software Solutions & hyphen; Canadian Software DistributorC& C Software Solutions Inc. is the Canadian distributor for MDAemon Email Server, SecurityGateway, MailStore Email Archive, and BackupAssist. Serving Canadian businesses since 1997.
