

# Compatible Low-Temperature Resistant High-Speed Optical Connectors

This makes them mechanically and optically compatible with corresponding connectors from other manufacturers. They feature the high-precision alignment technology and superior, low-loss optical ...

As a trusted MPO connector manufacturer and supplier, FSG Network provides custom MPO connector solutions ranging from 12 to 48 fibers. Cable sizes are available from 2.0 mm to 5.0 mm. These ...

The high-performance MIL-DTL-38999 type fiber optic interconnect system with qualified MIL-PRF-29504/4 and /5 termini, successfully deployed in hundreds of commercial and military aerospace and ...

Amphenol Military High Speed is your essential source for fiber optic connectors, cables, and termini to deliver ultra-high-speed data transmission in harsh environments.

Take fiber optics onto the field without any compromise on sealing, cleaning and performances. Tested for harsh and extreme environments.

As a leading supplier of advanced fiber optic components, Molex has an extensive product offering that includes a full range of optical solutions from connectors, adapters and cables to backplanes and ...

Explore our latest rugged high-speed connector solutions for Aerospace, Defense and Marine industries supporting VITA standards, VPX protocols, and more.

Search for and compare optical components from manufacturers around the world, or for custom jobs we'll match you with an industry expert service provider.

Axon" optical fiber cables are compatible with a large range of standardized contacts and connectors. They are designed for defense, aeronautics and space applications.

Our military certified expanded beam connectors have been designed for use in the most demanding harsh environment applications including military tactical communications, outside broadcast, ...
