

We offer solutions that provide seamless transmission and conversion from Ethernet media to multimode or singlemode fiber. Our Ethernet network switches with fiber ports comes in managed or ...

Our ultra low-loss switches have been deployed in diverse applications including long-term environmental testing, datacom redundancy and cable assembly test setups.

Discover 137 Fiber Optic Switches manufacturers and distributors on GlobalSpec. Find products, technical articles, videos, and more.

Manufacturer of intelligent fiberoptic network switches and switching devices. Features include standard 19 in. rack plug-in module design, slot-in and swappable design and optical power ...

We lead the industry in optical switch technology, delivering the lowest insertion loss (0.2 dB), fastest switching speed (10 ns), broadest wavelength range (300-2400 nm), widest fiber compatibility, ...

MarStars manufactures a wide range of fiber optic switches that provide links for your 10Base, 100Base, 1000Base Gigabit, and 10 Gigabit networks simultaneously with fiber uplink ports or all fiber ...

We deliver optical connectivity solutions for every segment of the network, including carriers, data centers, in-building networks, and original equipment manufacturers (OEM).

These MEMS single mode switches are designed to be easily integrated into optical systems. The highly reliable MEMS technology is characterized by a long lifetime, high reliability, and high durability (max ...

Explore industrial fiber optic Ethernet switches from a direct manufacturer. SFP, single-mode and multimode fiber switches available in unmanaged and managed designs.

We deliver optical connectivity solutions for every segment of the network, including carriers, data centers, in-building networks, and original equipment manufacturers ...

Shop DigiKey's large in-stock selection of Fiber Optic Switches, Multiplexers, Demultiplexers. View inventory, pricing and order now for same day shipping!
