

German Wireless Fiber Optic Sensor Manufacturer

Discover precise fiber solutions for industrial applications. We specialize in custom fiber cables, fiber optic assemblies, and optical sensors.

Discover the top emerging companies in the Sensors Startups in Germany, their funding activity, key investors, company highlights, and growth stages

In German-speaking countries, we have been synonymous with high-performance sensors in automation technology for more than four decades.

Tip: Select a quick entry below to view selected fiber optic sensors manufacturers by industry.

Fiber-optic Sensors for a wide variety of Applications. From Road Traffic Control to Rail Traffic detection, our Sensortechnology with no mechanical parts brings you the cheapest permanent sensor ...

Discover all relevant Optical Sensor Manufacturers in Germany, including Micro Epsilon and ADVA Optical Networking

Our optoelectronic sensors can detect or count objects without contact, measure distances with high precision, and recognize colors, gloss, or luminescence. Various mounting systems allow for flexible, ...

FiSens develops, manufactures, and markets accurate fiberoptic sensor solutions based on fiber Bragg grating (FBG) sensor arrays and fiber-integrated spectrometers.

PreSens is a world leader in the field of optical sensor technology. We develop, manufacture and distribute sensor systems for biological and environmental applications, for biotech & pharma, ...

fionec GmbH is technology leader when it comes to innovative precision optical fiber measurement systems and tailor-made fiber-optic components. We develop custom measuring solutions according ...
