

Ewind is mainly a manufacturer of 100M Industrial Ethernet POE Switch, 3-port and 8/5-port 100M Industrial Ethernet POE Switch switches

Enhance your connectivity with advanced 100m industrial ethernet switch solutions designed for seamless data management. Experience efficient, scalable networking for optimal performance.

Ruijie offers next-generation industrial Ethernet switches designed for harsh industrial environments, providing flexible full-gigabit access as well as 10GE uplink ports, and supporting a wide operating ...

7/8 Port 100M Unmanaged Industrial Ethernet Switch. This series is a 7/8-port 100M unmanaged layer2 industrial Ethernet switch, offer max up to 8 ports, which can be configured flexibly. It's plug and play, ...

Industrial Ethernet switch through reasonable heat dissipation circuit design, wide temperature and wide pressure working environment, with anti-vibration, high/low temperature, dust, anti-surge and other ...

100M industrial PoE (power over ethernet) switches are robust networking solutions designed for reliable power and data delivery in challenging industrial environments. Complying with IEEE802.3af/at ...

100M Industrial Fiber Media Converter HES-203F 1 port Fiber 2 ports Ethernet 100M Industrial Ethernet Switch HES-205 5 Ports 100M Industrial Ethernet Switch HES-205F 1 port Fiber 4 ports Ethernet ...

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting.

Compliant with FCC, CE, and ROHS standards, this switch operates in temperatures from -40°C to 85°C, making it suitable for harsh environments. Its compact design allows for easy installation in ...

Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened security, easy management, and competitive price-to ...
