

Imported Armored High Voltage Complete Sets of Equipment

XGN66-12 Type Switchgear Cabinet Electric Enclosure Customized IP2X High-Voltage Product Description:
XGN66-12 fixed metal closed switchgear (hereinafter referred to as switchgear) is our ...

KYN28A-12 (2) armored moving type A.C. high-voltage metal-enclosed switchgear, with a single busbar of 3.6-12kV, three-phase AC 50 Hz, and complete sets of equipment of single busbar power distribution

The main products are: 12KV-40.5KV high-voltage AC vacuum circuit breakers, 12KV intelligent switch cabinets, 40.5KV and below voltage levels of various high and low voltage power switchgear sets, ...

The KYN28-12/24 series armored movable AC metal enclosed switchgear (hereinafter referred to as switchgear) is a complete set of distribution equipment ...

The KYN28-12/24 series armored movable AC metal enclosed switchgear (hereinafter referred to as switchgear) is a complete set of distribution equipment suitable for three-phase AC 50Hz, 3.6-40.5kV ...

Based on the upgrade of traditional metal armored cabinets, the voltage is adapted to 5, 15, and 27 kV, and an integrated digital monitoring module can collect data such as current, voltage, and equipment ...

Haibian Power Equipment Co.,Ltd. is founded in 2009, specialized in the development, manufacturing, and sales of High Voltage Switchgear, Low Voltage Switchgear, Compact Substation, Power ...

The cabinet can be equipped with VSI (ie ZN63) and ZN vacuum circuit breakers, as well as imported VD4 vacuum circuit breakers and VC series vacuum contactors.

The main products are: 12KV-40.5KV high-voltage AC vacuum circuit breakers, 12KV intelligent switch cabinets, 40.5KV and below voltage levels of various high and ...

The switchgear is equipped with VS1 and VN2 series middle mounted high-voltage AC vacuum circuit breakers and solid sealed vacuum switches with excellent performance.

These devices have a wide range of applications in fields such as power grids, industry, construction, and infrastructure, primarily used for the control and protection of power systems.

Haibian Power Equipment Co.,Ltd. is founded in 2009, specialized in the development, manufacturing, and sales of High Voltage Switchgear, Low Voltage ...
