

Original Accelink RTX500-301 200G QSFP56 SR4 100m Optical Transceiver. RTX500-301 200G QSFP56 SR4 transceiver modules are designed for use in 200 Gigabit Ethernet links on up to 100m ...

Shop The On-Trak OT-301 Photonics Position Sensing Amplifier with OT-302D Display Module, Quality Checked, Fast Shipping.

LEICA INS2000 Optical Module. - Auto Screen, PCB 301-360.170 (-007)/02. winning the item (s).

The OT 301 Position Sensing Amplifier is a high performance, low cost, dedicated instrument for optical position sensing applications. It provides the easiest, most precise way to process the current output ...

From laser beam alignment, to beam centering, to mirror stabilization, the OT-301 is ideal for one- and two-dimensional absolute optical positioning or precision centering and nulling requirements.

LTH-301-07 - Optical Sensor Through-Beam 0.200" (5.08mm) Transistor Module, PC Pins, Slot Type from Lite-On Inc.. Pricing and Availability on millions of electronic components from Digi-Key ...

The On-Trak Photonics OT-301 Precision Position Sensing Amplifier is the easiest, most precise way to process the current output from any position sensing detector (PSD). Truly plug-and-play, the OT ...

MOCS-MF mainframe can house up to six OAM301P base unit plug-ins for a total of twelve independent optical channels. System setup and status are shown on the mainframe LCD graphic display; all ...

The MMF-301 is intended for use in intelligent, two-wire systems where the individual address of each module is selected using rotary switches. It provides a two-wire initiating circuit for normally open ...

LTH-301-07 - Optical Sensor Through-Beam 0.200" (5.08mm) Transistor Module, ...

Includes a section of multimode or single mode optical fiber connector type FC, SC or ST, a laser diode, a photodiode feedback, modulation scheme, the scheme of automatic power control, the locking ...

The On-Trak Photonics OT-301 Precision Position Sensing Amplifier is the ...

LTH-301A - Optical Sensor Through-Beam 0.205" (5.2mm) Module, PC Pins, Slot Type from Lite-On Inc.. View datasheets, pricing and availability from DigiKey now!
