

Mouser offers inventory, pricing, & datasheets for 50 Ohms RF Cable Assemblies.

In the video above, Samtec's Andrew Josephson gives a brief overview of the 130 GHz solution. We see two versions of the new...

Aerospace-Grade RF Coaxial and Triaxial Cable, in both 50 Ohm and 75 Ohm, with Exceptional Performance. Meet your specifications and exceed your expectations

VSWR makes the cable your choice even in high-frequency applications.

Our coax cable is designed to precise RF industry specifications with double, single or triple shielding. Pasternack 50 Ohm coax RF cables are available in corrugated, flexible, formable or semi-rigid ...

The high-performance of attenuation allows coaxial cable to be used in different RF systems, such as 3G, 4G mobile communication. Wide range of applications, such as indoor distribution, broadcast, ...

Caledonian coaxial cable is one that consists of two conductors that share a common axis.

Choose from a wide range of 50 Ohm coaxial cables to find the perfect one for your exact requirements. Currently we offer pre-terminated 50 Ohm coax cable assemblies available in RG58, ...

1/2" Feeder Cable RF50-1/2", The high-performance of attenuation allows coaxial cable to be used in different RF systems, such as 3G, 4G mobile communication. Wide range of applications, such as ...

50 Ohm Coaxial Feeder Cable RF50 7/8" PRODUCT DESCRIPTION The high-performance of attenuation allows coaxial cable to be used in different RF systems, such as 3G, 4G mobile ...

In the video above, Samtec's Andrew Josephson gives a brief overview of the 130 ...
