

Thailand RoHS compliant enterprise-grade optical router QSFP

TS&D is able to provide the value-added process, RoHS Stewardship Verification Scheme (RSVS), to assist companies in setting up management systems that effectively manage the manufacture of ...

The QSFP-100G-LR-S module is compliant to IEEE 802.3 100GBASE-LR1 requirements. The 100 Gigabit Ethernet signal is carried over a single wavelength using onboard PAM4 modulation ...

Longtek Interconnect (Thailand) CO., LTD. is a high-tech enterprise specializing in cable manufacturing and research and development. We believe that with the acceleration of global digital transformation, ...

Digital diagnostic functions are available via the I2C interface, as specified by the QSFP28 MSA and Finisar Application Note AN-21xx. The optical transceiver is RoHS compliant as described in ...

This transceiver is compliant with QSFP+ MSA, IEEE 802.3bm 40GBASE-ER4 and OTU3 standard. Digital diagnostics functions are also available via the I2C interface, as specified by the QSFP+ MSA, ...

Comply with the RoHS definition for the use of hazardous substances with a RoHS testing program from SGS.

These materials may not be restricted under RoHS, but they carry major compliance, worker-safety, and environmental responsibilities. RoHSGuide connects these layers into a single framework of product, ...

Eoptolink is proud to be a member of RBA, Responsible Business Alliance, formerly known as the EICC. It provides clear and measurable benefits for factories in supply chains, including increased ...

10Gtek's active optical cable assemblies use state-of-the-art technology to provide cost effective high data throughput interconnects. The cables incorporate E/O and O/E conversion built into the ...

Virtual switch stacking allows the switch to be managed from a single IP address ...

Virtual switch stacking allows the switch to be managed from a single IP address and provide redundancy for connected devices. The DXS-F3400-28SC having features a wide range of Layer 2, ...

Thailand RoHS compliant
enterprise-grade optical router QSFP
