

Self-Adhesive version of the EMI magnetic shielding foil Aaronia MagnoShield. Very thin, easy to cut and to handle. Perfect for constructing shielded boxes etc..

Shieldene is a durable, corrosion-resistant magnetic shielding plate for breaker boxes, solar inverters, and more. Large format, lightweight, and effective.

SmartGuard[®]; temporary safety covers for load centers, panel boards, and distribution centers meet OSHA standards, UL Standards, & ASTM Standards. Made from PVC, covers are water-resistant, ...

This pneumatic RF shield box is designed for production by controlling the door or lid automatically using air pressure. It is ideal rf signal testing tool for automated production lines with the robot arm.

Electrical Boxes, Conduit & Fittings Ultra-thin electric meter box decorative painting distribution box shielding minimalist glass electric box weak electric box panel strong electric box brake cover plate

AWT's shield boxes are robust and for heavy duty applications. With their excellent shielding capabilities, even after thousands of cycles, they are well suited for R& D or high volume production.

Product Summary: Shielding Distribution Box, Modern Decorative Breaker Box Cover, Hide Electrical Panel Meter Breaker Wall Mounted Cover, Painterly Design For Living Room Home Office ...

For the mobile radio and telecommunications industry we supply customised shielding boxes, air interface emulators for various test scenarios and smart antenna simulators.

Choose from our selection of EMI-RFI shielding electrical boxes in a wide range of styles and sizes. Same and Next Day Delivery.

For shielding of low frequency magnetic fields, we produce shielded boxes made from our patented Mu-ferro HD material.
